VETO MESSAGE FROM THE
GOVERNOR OF THE COMMONWEALTH OF KENTUCKY
REGARDING HOUSE BILL 107 OF THE
2011 REGULAR SESSION

I, Steven L. Beshear, Governor of the Commonwealth of Kentucky, pursuant to the authority granted under Section 88 of the Kentucky State Constitution, do hereby veto the following:

House Bill 107 of the 2011 Regular Session of the General Assembly in its entirety.

I am vetoing this bill because it would impose substantial burdens on the manner and ability of state agencies to conduct business. As a result of this administration's transparency initiative, any member of the legislature or the general public can already access any state contract immediately through the Commonwealth's Open Door website. The enactment of Senate Bill 7 will ensure that future administrations continue to make this information accessible to the public. All contracts and any non-exempt material related to those contracts are also available to anyone upon request through the Kentucky Open Records Act. Accordingly, the provisions of House Bill 107, which would require changes to the state's accounting and procurement systems, would result in an unnecessary expenditure of unbudgeted resources to provide another avenue for accessing information that is already publicly available.

This the 16th day of March, 2011

Steven L. Beshear, Governor

GENERAL ASSEMBLY

COMMONWEALTH OF KENTUCKY

2011 REGULAR SESSION

HOUSE BILL NO. 107

Payment shall not be made until written notification and explanation of the reasons for this action are forwarded to the committee.

(9) If a governmental emergency exists as defined under KRS 45A.690 and work is authorized to begin on a personal service contract or memorandum of agreement~~[contract]~~ immediately, a copy of a statement, approved by the secretary of the Finance and Administration Cabinet, or his designee or by the president of the postsecondary institution where appropriate, setting forth in detail the nature of the emergency shall be filed with the committee, along with a copy of the

7 contract specifies a different submission time period.

8 (c) Separate invoices shall be submitted for each distinct matter covered by the

(f) The head of the contracting body shall approve the invoice, indicating that the charges in the invoice reflect the value of the work performed, and all recorded costs and disbursements were reasonably and necessarily incurred in connection with the matter invoiced.

(11) Except for agreements involving child support collections and enforcement, and contracts between the Department of Public Advocacy and attorneys for representation of indigent clients, personal service contracts or memoranda of agreement in an amount in excess of one million dollars (\$1,000,000) shall be reviewed by the committee regardless of type or characterization.

9 (1) A contract may be made by noncompetitive negotiation only for sole source

11 officer in writing prior to award, under administrative regulations promulgated by
12 the secretary of the Finance and Administration Cabinet or the governing boards of
13 universities operating under KRS Chapter 164A, or when emergency conditions
14 exist. Sole source is a situation in which there is only one (1) known capable
15 supplier of a commodity or service, occasioned by the unique nature of the
16 requirement, the supplier, or market conditions. Insofar as it is practical, no less
17 than three (3) suppliers shall be solicited to submit written or oral quotations
18 whenever it is determined that competitive sealed bidding is not feasible. Award
19 shall be made to the supplier offering the best value. The names of the suppliers
20 submitting quotations and the date and amount of each quotation shall be placed in
21 the procurement file and maintained as a public record. Competitive bids may not
22 be required:

23 (a) For contractual services where no competition exists, such as telephone

26 (c) For library books;

27 (d) For commercial items that are purchased for resale;

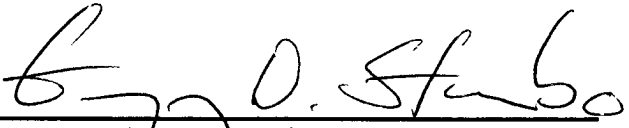

- 1 (e) For interests in real property;

6 (2) The chief procurement officer, the head of a using agency, or a person authorized in
 7 writing as the designee of either officer may make or authorize others to make
 8 emergency procurements when an emergency condition exists.

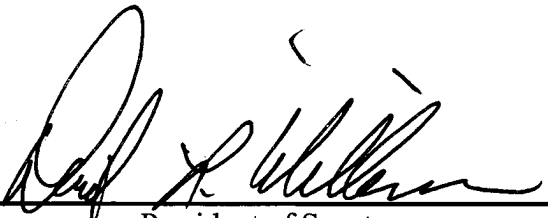

9 (3) An emergency condition is a situation which creates a threat or impending threat to
 10 public health, welfare, or safety such as may arise by reason of fires, floods,
 11 tornadoes, other natural or man-caused disasters, epidemics, riots, enemy attack,
 12 sabotage, explosion, power failure, energy shortages, transportation emergencies,
 13 equipment failures, state or federal legislative mandates, or similar events. The
 14 existence of the emergency condition creates an immediate and serious need for
 15 services, construction, or items of tangible personal property that cannot be met
 16 through normal procurement methods and the lack of which would seriously
 17 threaten the functioning of government, the preservation or protection of property,
 18 or the health or safety of any person.

19 (4) The Finance and Administration Cabinet, or the president of the postsecondary
 20 institution if appropriate pursuant to KRS 164A.575, may negotiate directly for the
 21 purchase of contractual services, supplies, materials, or equipment in bona fide
 22 emergencies regardless of estimated costs. The existence of the emergency shall be
 23 fully explained, in writing, by the head of the agency for which the purchase is to be
 24 made. The explanation shall be approved by the secretary of the Finance and
 25 Administration Cabinet, or the president of the postsecondary institution if
 26 appropriate pursuant to KRS 164A.575, and shall include the name of the vendor
 27 receiving the contract along with any other price quotations and a written

1 determination for selection of the vendor receiving the contract. This information
2 shall be filed with the record of all such purchases and made available to the public.
3 Where practical, standard specifications shall be followed in making emergency
4 purchases. In any event, every effort should be made to effect a competitively
5 established price for purchases made by the state.
